

REQUEST FOR PROPOSAL
CITY OF MOUNTAIN PARK
PATIO/OUTDOOR AREA
COMMUNITY BUILDING

The City of Mountain Park is a city of approximately 557 people and encompasses one square mile located in North Fulton County just west of Roswell. Mountain Park has a weak mayor form of government with five council members serving on council. Mountain Park is seeking a qualified licensed landscape architect for the design of an outdoor patio area located adjacent to the Community Building.

The city will require the selected architect to hold three charrettes to allow for community input during the design process. These charrettes will be held in the evening hours or on Saturday. A MANDATORY pre-bid conference will be held on site at the Community Building located at 100 Lakeshore Drive on Wednesday, October 5, at 2 PM. Sealed bids are due in City Hall by Monday, October 24, 2016 by 2 PM.

This project is a CDBG funded project, using HUD funds; therefore, will be performed in strict adherence to the applicable grant program regulations, specifically the Davis-Bacon Wage Act. The City of Mountain Park reserves the right to reject any and all bids.
