NEW BUSINESS

1. Discussion of 2014-2015 Budget
Still stated Council needed clarification on the ISO rating as several people had stated their homeowners insurance relied on Roswell's ISO since we contract with Roswell for police and fire services. Jon Reeves stated this was not so based on his information and that a lower ISO has the potential to reduce homeowner premiums. With regard to the budget, Reeves stated out of the \$6,000 requested for the ISO consultant, \$2,000 was for getting water from the lake via a floating hydrant and \$4,000 was for computer software. Reeves stated a second water source was needed.

Read requested \$6,600 be moved from ISO to paving. He also asked that \$10,000 be moved from Hazard Mitigation to sand/salt and contingency. Read stated the surveys and studies line item in Lakes should be reduced by \$3,000 based on the existing contract for lake management as well as adjustments to the employee health insurance based on new premiums. Council concurred.
