**This year marks the 20th Annual SANTA RUN, MPVFR's biggest fundraiser and event of the year! Last year, over 450 kids were treated to the fabulous experience in Mountain Park and in 8 surrounding subdivisions.**

**Civic Club provides the meals for all Santa Run volunteers, and we would love some help for serving and making meals! We need volunteers to help with breakfast (sausage, gravy, and biscuits) starting at about 6:30 am, and volunteers to help with lunch around noon (soup and sandwiches). We also will need volunteers to help serve dinner and clean up.**

**At 7pm, Civic Club will be hosting our Annual Holiday Potluck. Everyone is encouraged to come and eat dinner with your neighbors! **Please bring a side dish to share.** Ham and Turkey will be provided by the Civic Club! Come on down and enjoy your neighbors' company while celebrating the Holidays!**

**We are asking everybody to bring an unwrapped new toy (children ages 0-16) for Patrick's Lunch. Patrick's Lunch is held on December 23 at Egleston Hospital. It**

**is an opportunity for the families, doctors, nurses and patients to have a hot, catered meal and pick out a toy for their child or children that will be spending their Christmas in the hospital. Patrick's Lunch has been going on since 1998 in memory of Patrick O'Donnell, from Woodstock, GA who died at 2 1/2 years old due to a heart defect.**

**Happy Holidays from  
everyone at Civic Club and  
we hope to see you soon!**
