A Message from your Mayor:

The impersonal hand of government can never replace the helping hand of a neighbor. ~Hubert H. Humphrey

Spring has finally arrived and we have had a couple of community events so far this year. I would like to thank Sarah Buehrle and those who attended the Earth Day celebration. Participation in this event is so important as it is part of our annual storm water permit report. Also, I would like to thank Tim Dempsey, those who participated and those who attended the city's premier of "Princess Bride". Both were a success and I appreciate all the effort that

went into the presentation. Lastly, please plan to attend the 3rd annual Mountain Park Beer Festival this Saturday, May 21st from 1-6. Proceeds benefit the Mountain Park Watershed Preservation Society and the Lake Restoration Fund. I look forward to seeing you!

Jim Still - Mayor
