

Reminders And Information June 2018

KNOW YOUR CITY CODE

We are using this section of our newsletter to familiarize residents with content found in the official City Code book. We will periodically print selected sections. See back for additional City Code. For a full version of the City's Code, please visit www.mountainpark-ga.gov.

Sec. 105-202. Purpose and intent of article.

The city deems it necessary and desirable in the interest of public health, safety and welfare to enact an ordinance for the conservation, planting and replacement of trees and to prevent the indiscriminate removal of trees in the city without denying the reasonable use and enjoyment of real property. The importance of trees is recognized for their shade, cooling, noise and wind reduction, soil erosion prevention, oxygen production, dust filtration, carbon dioxide absorption, aesthetic and economic enhancement of all real property, and their contribution to the general well-being and quality of life of the citizens of the city. Consistent with the expressed purpose of this article, all persons shall make reasonable efforts to preserve and retain existing, self-supporting trees. It is also the intent of this article that all applicable sites within the city maintain or obtain a minimum tree density.

(Ord. No. 239-00, § 6-9-2, 8-21-2000; Ord. No. 292-06, § IV, 8-21-06)

**NEXT DUMPSTER DAY
JULY 7, 2018**

A MESSAGE FROM YOUR MAYOR

Well the rain has stopped for a while and the pool is open but now the heat and bugs are back. I recommend a natural deterrent such as a Citronella plant for your deck or backyard to keep the bugs at bay.

Thanks to everyone who came out in support of the Roswell High School Band on Saturday to enjoy the music, cold beer and food on The Green. The weather was a little hot but otherwise perfect for the event. Many thanks to our sponsors Gate City Brewing, Atlanta Plays It Forward & Tom LaDow for coordinating everything, Top Job Hospitality, Sandoval- State Farm, Lako Family Chiropractic, Crabapple Martial Arts, Topgolf Alpharetta, Canyon Clouds, Korsi Yoga and especially Carl Black Buick GMC Roswell & Tod Black for making a huge contribution to the event. I also want to personally thank our own City Administrator, Karen Segars, who oversaw the entire event on Saturday in my absence. We are looking forward to next year and maybe even a fall event in a few months.

Thanks and enjoy your summer in "The Park."

Jim Still - Mayor

FREE FISHING DAYS:
June 9, 2018

Don't Forget!

Father's Day is June 17, 2018!

PLEASE NOTE:

We have had a lot of night activity going on at the fishing bridge. If you notice any activity after dark, please contact the Roswell Police Department at 770-640-4100

We are asking our resident to cut back any wisteria and ivy vines off of the trees. They are wrapping themselves around trees and killing them creating a danger for the property.

TREE REMOVAL REQUESTS – Sec 105-204

A tree removal approval is required for any tree removal.

1. Resident must fill out tree removal request form.
2. City Hall staff will Date Stamp and Scan to Arborist.
3. Arborist provides recommendation to City Hall.
4. City Hall contacts resident with Arborist recommendation within 30 working days.

Tree Removal Request forms are available on the website as well as at City Hall.

DUMPSTER DAY INFORMATION

As a service to our residents, the City of Mountain Park provides a dumpster on the first Saturday of every month. This is a first come, first serve basis. In order to ensure that it is available to all please adhere to the following guidelines:

1. Must provide proof of residence in the City of Mountain Park.
2. One truckload or trailer load per residence.
3. All yard debris must be cut into 3 feet sections or less.
4. **NO PAINT or BATTERIES**

HOW DO YOU PREVENT ZIKA IN GEORGIA?

TIP 'n TOSS

WHAT ARE SOME THINGS I CAN DO?

- Clean up around your home and yard
- Get rid of anything you don't need that can hold water
- Use larvicides (Mosquito Dunks® or Mosquito Torpedoes®) where you can't dump out water
- Tip 'n Toss containers after every rain and at least once a week
- Dump out standing water in flowerpots and planters, children's toys, pet dishes
- Don't let water accumulate in old tires, rain gutters, piles of leaves or natural holes in vegetation
- Cover water storage containers (buckets, cisterns, rain barrels)

NO VACCINE TO PREVENT • NO MEDICINE TO TREAT

MOSQUITO LIFE CYCLE

- Mosquitoes need standing water to breed
- Adult, female mosquitoes lay their eggs inside containers
- Mosquitoes lay hundreds of eggs at a time
- Mosquitoes go from eggs to adults in a week to 10 days
- Only female mosquitoes bite
- Aedes mosquitoes bite primarily during the day, but some bite at night

Management & Coexistence - Atlanta Coyote Project

Coyote Relocation Is Not an Option. The territorial behavior of coyotes helps to explain why trapping and killing is not a good management option.
