Sec 54-104 – 136 Business License

Many residents in the City of Mountain Park have Home Businesses. If you have ...

1. A corporation registered with the Secretary of State with a Mountain Park Address
2. A DBA registered with the Superior Court with a Mountain Park address
3. A Website with a Mountain Park address

Your business is required to register with the City for a Business License and pay Occupation Taxes on January 1 of each year and is delinquent if not registered and paid by January 31 of each year.

If a business does not file by this date Penalties shall be 100 percent of the payment due, plus accrued interest of 1.5 percent per month of the total due. If a business is found to be in non-compliance by the Code Compliance Officer, the court, may issue a fine in an amount not exceeding \$5,000.00 or imprisoned not exceeding 15 days imprisonment, either or both, in the discretion of the municipal judge.

Any person who may engage in casual or isolated activity and commercial transactions, where they involve personal assets only and are not the principal occupation of the individual, shall not require a business license. Projects involving less than \$500.00 shall not require a business license. **In all cases it is up to the individual to ensure that he is in compliance with all requirements set forth in this Code.**

We are offering a grace period until March 1, 2013. At that time if you have not registered with the City, the business is in non-compliance and penalties will apply.

At the direction of Council, a committee has been designated to review existing data gathered during the lawsuit to determine its relevance in the development of a watershed management plan. This committee is spear headed by Council Member Gladney Cooper. The first meeting will be held in the Community Building on Saturday, February 16, 2013 at 10:00 am. If you are interested in being part of this discussion, please plan to attend.

Sincerely,
Jim Still, Jr.

Holiday Closings Before the Next Newsletter –
City Hall will be closed Monday, February 18, 2013.

SIREN TEST – There is a Siren Test the first Wednesday of every month at 12:00 noon. We are served by Cherokee and Fulton Counties, so you may hear 2 sirens.

Winter Storm Preparation Tips

1. Check your local weather for updates on the storm's expected time of arrival.
2. Check your supply of food and necessities (bread, bottled water, toilet paper). If you do not have a three day supply, plan a trip to the store.
3. Locate and test your flashlights to make sure they are in working order.
4. Locate matches, candles, extra batteries, oil lamps or battery-operated lanterns.
5. Locate your supply of salt or ice-melt. Place it next to your front door.
6. Charge your cell phones for maximum battery charge in case of a power outage.
7. Gather extra blankets, gloves, mittens, winter hats and scarves. Put them where they can easily be reached in case of an emergency.
8. Check your back up heat source and put it in a convenient place. (Kerosene heater, firewood, matches.) Make sure you have enough fuel.

If you are able to safely clear your driveway, area in front of your property, please do so as soon as possible. The City of Mountain Park will clear main roads as soon as possible. The severity of the road conditions may make it impossible to clear smaller streets. Please check for updates on the City website.

YOUR DITCHES ... OUR STORM WATER SYSTEM

The roads and streets of Mountain Park are lined by ditches which together form an extensive storm water system serving the entire city. Please do your part and help us maintain the City's ditches and keep them free flowing.

1. Include the ditches in the front of your house in your yard maintenance schedule. Keep them open to allow the free flow of water.
2. Keep all vegetation trimmed and pruned. This will help with drainage as well as keeping vegetation out of the City right of way.
3. **Please do not rake leaves into the ditches.** Compost your leaves in the back yard or use them as natural ground cover around your shrubs. Its Mother Nature's way of helping your plants fight the drought. If composting is not an option you can bag them and bring them to the dumpster by the pool the first Saturday of each month.

4. Keep your driveway culverts open and free flowing. Remove loose leaves from the ditch around your culvert openings. Fall and winter rain storms wash the leaves to the culvert opening and can block the free flow of water.

5. If your storm drains, culverts, or ditches are blocked please call City Hall for assistance in clearing them. 770-993-4231
